CWA Radio Ads: AT$T's Tax Breaks and Broken Promises!

CWA is running these ads to raise awareness of AT$T's broken promise to use a portion of its $20 billion tax break to "create 7,000 good jobs for the middle class" and to ask members of Congress who voted for AT$T's $20 billon tax break to hold the company accountable.

If tax reform passes, AT$T CEO Randall Stephenson said; ***"the company will spend "at least" $1 billion in capital expenditure and be able to create an estimated 7,000 jobs.***"
