

Retired Members Council

August 16, 2004

To CWA Local 4250

Thank you for your 2004 contribution to the District 4 Retired Members Organizing Fund. We need and appreciate your support. This fund is used to help organize our CWA retirees and participate in CWA events.

If your Local does not have a retiree club, we hope you will consider organizing one. The purpose of these clubs is to bring retirees into an organization for the betterment of themselves and their union. Clubs provide retirees with a vehicle to protect and fight for the issues that affect them as retirees and family members. Through the CWA retiree clubs, our members are able to speak out with a united voice.

The establishment of a club also provides advantages for the sponsoring Local. The club provides a wealth of experienced, knowledgeable and available members for picket lines, rallies, organizing and legislative activities.
