

SENIORS RIDE FREE PROGRAM

Illinois lawmakers approved and Governor Rod Blagojevich has signed into law, through an amendatory veto process, free rides on fixed routes for seniors aged 65 and older living in the RTA's service region.

Who is eligible?

- Senior citizens aged 65 or over living in the RTA service region (Cook, DuPage, Kane, Lake, McHenry and Will counties) are eligible for free transit on fixed routes operated by the Chicago Transit Authority (CTA), Metra and Pace.
- To take advantage of the free transit, seniors must have the senior reduced fare card to get a free ride.

I'm a senior and already have a senior reduced fare card. What do I need to do?

- If you already have a senior reduced fare card, you are already registered. Your reduced fare card will work on March 17th to allow you to take transit for free.
- In the months ahead, the RTA will transition all holders of the current reduced fare permit to a new smart card. The smart card will make it faster and easier for seniors when boarding. Current card holders will be notified when these new cards are available.

I'm a senior but I don't have a senior reduced fare card and would like to have free transit. What do I need to do?

- Simply sign up for the RTA's senior reduced fare program during business hours (weekdays, between 8:30 a.m. and 5 p.m.) at the RTA's Customer Service Center at 165 N. Jefferson in Chicago, or at any one of over 200 sites in the region.
- To find a registration site near you, [click here for a list](#) or call 836-7000 from any local area code. Give your zip code to the operator, and they will let you know which location is nearest to you.
- To complete your application when you go to a registration center, you are required to present 1) a government-issued picture identification card that verifies your age and 2) a photo of yourself that is approximately passport size (1 1/2" square). Some registration centers may charge up to \$5 for taking your photo. The RTA's Customer Service Center does not charge for this service.
- You should receive your new senior reduced fare card in 3-4 weeks.

When do the free rides for seniors begin?

- The free rides began on March 17, 2008.

Once I have my senior reduced fare card, what will I need to do to get my free ride?

- To get your free ride you may have to show your card to the driver, ticket agent, conductor or you can use it at a turnstile or in a farebox.
- Metra riders will be able to show their senior reduced fare card to the on-board staff to receive their free ride.

CTA Fare Refund Information

I have money left on my CTA farecard; can I get my money refunded? When and where can I get it refunded?

You can get the remaining balance on your farecard(s) refunded. Cards that are eligible include: SmartCard Senior Permits, Magnetic Senior Permits, and Single Reduced-Fare Transit Cards. Receive your refund:

- **CTA Headquarters, 567 W Lake St.** Cash refunds and check applications will be available at CTA headquarters beginning on March 17 through July 1, 2008 between 9 a.m. and 4:00 p.m. **Please note: You must bring your current card to get a refund.** Cash refunds will be given to all eligible seniors on the day you visit. If you choose to receive a check, it will be mailed to you within three to four weeks from the date you visit.

For more information about CTA's Refund Policy, visit transitchicago.com or call 1-888-YOUR CTA, 1-888-CTA-TTY1

Metra Fare Refund Information

Metra will issue a refund for seniors' reduced fare March monthly tickets. Metra will issue refunds for the Reduced Fare monthly tickets, 10-ride and one-way tickets through its normal refund procedure. Customers can find out more information as well as the refund value of their reduced fare March monthly ticket at www.metrarail.com.

This page will be updated as more information becomes available.
