## Illinois & NW Indiana 2009 AT&T Mobilization & Bargaining News

February 12, 2009

**AT&T**

### *AWW...You're Breakin' Our Heart*

AT&T only made \$13.4 billion in profits last year...

CEO, Randall Stevenson, only got \$25 million

Shareholders only received \$9.66 billion in dividends...  
(An increase of \$236 million from the previous year)

### *...and what'd we get from AT&T?*

1,200 surplus jobs

Takebacks on health care

Unrealistic quotas / workload demands

Maybe AT&T ought to do the right thing and negotiate a contract that rewards the people who do the work to make AT&T successful! IBEW Local Union 21 and CWA Local 4250 Illinois members are ready to fight for a fair contract and we'll do....

**...Whatever it takes!**

Members are signing on to a petition that calls on the company to "quit breakin' our hearts" and negotiate the fair and just contract that we deserve.
