Subj: GATT RATE 4.19%

Officially announced; the 2011 Gatt Rate is 4.19% - a decrease which you'll remember actually increases a lump sum payout. (The current 2010 Gatt Rate is 4.31%. Remember the Gatt rate does NOT impact a monthly pension annuity at all.)

The January 1, 2011, Pension Band Increase is 2.0%.

If at all possible; Members will obviously want to wait until January 2011, to get the benefit of the 2011 band increase, the lower Gatt Rate and their 2011 vacation.
