BREAKING NEWS

June 28, 2009 at 12:15am

Based on progress on some significant issues, the parties have agreed to stop the clock and continue the negotiations towards agreement. The current contract provisions are still in effect. You are not on strike.

Over 1000 members and their families rocked AT&T on Randolph ST in Chicago Saturday night.

All IBEW members should report to work as scheduled and stay informed.

Mobilization efforts must continue to keep the pressure on the company. Massive turnout at rallies tonight throughout the jurisdictions was heard loud and clear at AT&T headquarters in Hoffman Estates. Great job brothers and sisters!

Again, the parties have agreed to stop the clock and will continue negotiating throughout the night towards agreement. IBEW members are to report to work as scheduled. More information will be released as it becomes available.

SOLIDARITY!
