

AT&T: Capital Expenditure Surveys (CAP)

May 26, 2010

To: AT&T Legacy T Locals

Once again management will be asking Legacy T workers to complete the CAP Survey. CWA believes it is not in our members' best interest to complete these surveys. We believe this will cost our members jobs through layoffs and transfer of work in the long run.

If management makes completing the survey a job assignment, then complete the survey; as always, do not sign anything; and then file a grievance.

Should you have any questions or concerns, feel free to contact your Local.
