Happy Thanksgiving From CWA Local 4250

The Officers and Executive Board of CWA Local 4250 would like to wish all of our members, retirees and their families a safe and Happy Thanksgiving Holiday.

With the start of the holiday season we encourage you to shop union when purchasing gifts and groceries. The AFL-CIO has declared the ten days following Thanksgiving as “[Buy Union Week](#).”

Given the volatile state of the economy—marked by huge job losses, declines in take-home pay and increased costs—it makes sense to focus the purchasing power of union families on the goods and services those families create. Supporting union made products and services help keep good jobs in the community.

For more information on Buy Union Week visit the AFL-CIO’s Union Label Trades Department’s [website](#) and go to “Find Union Made Products and Services” in the yellow box near the top of the page to find ideas for those on your shopping list. Go there now by clicking [here](#).

In Unity There Is Strength:
