All Members, Families & Friends are invited and encouraged to attend!

## WTF - Why This Friday?

To demonstrate our collective support for our IBEW bargaining teams, to rally around unresolved issues like health care, scheduling, retiree benefits, access to jobs in new technologies, for our premise technicians, engineering assistants, customer consultants, and more.

On Friday, it will be 89 days since IBEW bargaining began.  
We are fired up and are not gonna' take it anymore!
