Our current contract with AT&T expires in 31 days.

AT&T National bargaining resumed on Wednesday May 27th:

Ron Kastner, President/Business Manager and Chairman of the AT&T National Bargaining Committee would like to thank all members and retirees for their strong show of support for the bargaining team through informational pickets and other solidarity events throughout our jurisdiction.

Our Union bargaining team has engaged in aggressive negotiations making proactive proposals addressing the specific concerns of our Prem Techs, Engineering Assistants, and Customer Consultants as well as improvements in scheduling and overtime for all members.
