IBEW AT&T Bargaining Update #5

Our Current Contract with AT&T expires in 29 days.

AT&T Lays a Floater

Bargaining Continued Friday May 29th with AT&T at both the National and Local tables. Your IBEW bargaining team reached tentative agreements on some minor items.

However, **AT&T continued making regressive proposals** demanding the elimination of all carry-over vacation time, the elimination of the Good Friday/ Dr. Martin Luther King Jr. designated holiday, and the Day after Thanksgiving holiday in exchange for **Floaters**.

In addition, AT&T passed proposals to your union bargaining team that would negatively impact our brothers and sisters in the Prem Tech title.

Your Union Bargaining Teams made several progressive proposals to improve differentials, seniority, and treatment of Part-Time employees.

Solidarity Actions will continue

Ron Kastner, President/Business Manager, and Chairman of the AT&T National Bargaining Team would like to thank all members and retirees for their strong show of support for the Bargaining Team in solidarity actions taken this week.

All members are encouraged to participate in informational picketing **every Wednesday** in support of your Union Bargaining Teams. **Blue Thursdays** are continuing. If you are a premise technician continue to wear your uniform and accessorize it with your solidarity bands and union pin. Join your IBEW brothers and sisters and retirees at these solidarity events. Your support is felt at the bargaining table.
