THE UNION MAN

As a member of the working class
Many ups and downs I've had
The good times come, the bad times pass
And the good outweighs the bad

I've been on strikes, in picket lines
When the times were hard as hell
For what was fair and rightly mine
Just to raise my family well

A truth I've learned in all the years
If the working man survives
In spite of hunger, hardship, fears
The Union must be kept alive

But who will know I've come this way
When I have reached life's span
If nothing else just let them say
He sure was a Union Man

In Unity-Strength & Solidarity:

Steve Tisza, President
