Sisters & Brothers:

Congratulations to Barack Obama on his historic nomination as the Democratic candidate for President of the United States of America!

November 4, 2008 is Election Day and Labor Day; September 1st historically kicks off both political campaigns in earnest. Beginning Labor Day CWA members, retirees, veterans and families can help "Turn Around America" by becoming a volunteer to help Barack Obama and Joe Biden restore the "American Dream" that has been drastically eroded over the last eight (8) years. You can help by not only voting on Tuesday, November 4, 2008, but by also e-mailing me at stevetisza@sbcglobal.net to become a volunteer in CWA mobilization activities for the November 2008 elections and the 2009 CWA/ATST Contract negotiations.

CWA/ATST "core" contracts expire on April 4, 2009 and Barack Obama and Joe Biden **SUPPORT** CWA members, retirees, veterans and family issues to be addressed in our 2009 negotiations. Make no mistake; the atmosphere surrounding these negotiations will be affected by who wins on November 4th. Obviously, CWA JOBS of the future and retiree health care will be two major issues. The current administration and John McCain are **OPPOSED** to CWA's position on these and many other working family issues. Rest assured, they will not endorse union members, retirees, veterans or family issues at their convention next week.

You, your family, friends and middle-class Americans like you will make a big difference to help bring back our "American Dream." VOTE for Obama/Biden on November 4th and volunteer for CWA's ongoing mobilization efforts. "Lest we forget", unions and Democrats shaped America's middle-class and our "American Dream!"

Have a safe and Happy Labor Day with family and friends.

In Unity-Strength & Solidarity:

Steve Tisza, President
