January 21, 2009 - AT&T Mobility Begins Contract Negotiations Today!

AT&T Mobility workers are the first group to begin bargaining with AT&T this year— what happens during Negotiations/Mobilization with Mobility will set the stage for our contract fight with AT&T.

We're sending our sisters and brothers at Mobility across the country a message— ***We support your fight to get a fair contract with AT&T.***

We're ***One Union***, in ***One fight***, because we have ***One future together!***
