

AT&T "Legacy T" Bargaining Report #42

June 10, 2009

The full committee met with the Company yesterday to discuss Health Benefits. While there seems to be some positive movement, we are still very far apart. Meetings will continue today on a range of issues as we try to get this bargaining back on track.

Keep up your work in your offices, in the stores, and with your legislators.

Our mission is to stop the destruction of our Union by our employers. It is to protect and better the lives of our retired, current and future members. We will re-grow our Union by educating, strengthening and uniting our membership in order to impact our employers through strategic use of our power.
