SUBJECT: CWA Local 4250 AT&T/Midwest Contract Ratification Results

A CWA Local 4250 "Special Membership Meeting" was held on Saturday, August 1, 2009. The sole purpose of the meeting was to provide comprehensive details of the CWA District 4/AT&T Midwest "Tentative Contract Agreement of July 15, 2009" and conduct a "Ratification Vote" by all CWA Local 4250 AT&T Midwest dues paying members, in good standing. All facts of the agreement were thoroughly discussed and debated by all in attendance.

A "Ratification Vote" was conducted after the meeting by Paul Bolbat CWA Local 4250 Election Committee Chair. The results of the CWA Local 4250 vote, as reported to CWA District 4 in Cleveland, Ohio, are:

93 % of CWA Local 4250 AT&T Midwest Dues Paying Members, In Good Standing, Voted To "REJECT" The "CWA District 4/AT&T Midwest Tentative Contract Agreement Of July 15, 2009." A NO VOTE re-authorizes CWA President Larry Cohen to "Strike AT&T Midwest!"
