CWA D4 AT&T Midwest Bargaining Report #43

5/06/09

Our committee spent most of the day in caucus on Tuesday reviewing the unresolved issues. While we had made some progress last week getting to a better understanding of our differences, all of the major issues remain unresolved. We hope that, in discussions this week, AT&T will address the entire range of unresolved issues.

Mobilization News: Local 4900 in Indianapolis has events planned all week--including letters to Congress to elicit support; "Health Care Awareness Day", when workers will demonstrate how important health care is to their families; "Unity Days", when workers will march into work together; "Safety Day" everyone is going to make extra sure we're following safety guidelines; and more.

Local 4320 in Columbus, Ohio is holding their "Family Mobilization for Health Care" tonight in Columbus.

Local 4319 is holding a rally tomorrow in Toledo, Ohio.

You can stay on top of things by joining the Ready@AT&T network: Text the word, "READY" to 69866 for regular mobilization updates.

Please go to www.standupforworkers.com and sign our online support statement and spread the word among your family and friends.

The next bargaining report will be on Thursday, May 7, or sooner, should developments warrant.
