

## COMMUNICATIONS WORKERS OF AMERICA DISTRICT 4

### 06/16/2009 -CWA AT&T Midwest Bargaining Report #71

The Midwest committee continued to review the informal proposals from AT&T late into the night Monday. We expect to meet with management today to address the questions and concerns we have, and hope to narrow the list of unresolved items.

**Mobilization News:** Local 4302 members and retirees held an informational picket in Akron, Ohio:

In Indiana, members and retirees of Locals 4900 and 4998 checked out the latest at the Apple Store in Indianapolis. While they were tempted, they have to wait until we win a fair contract at AT&T before they can make a purchase!

Contact your Local's mobilization coordinator or officers to find out about your Local's activities.

Please visit [www.standupforworkers.com](http://www.standupforworkers.com) and sign our online support petition to win a fair contract with AT&T.

The next report will be **Wednesday, June 17**, or sooner should developments warrant.
