

COMMUNICATIONS WORKERS OF AMERICA
DISTRICT 4

June 17, 2009- CWA D4 AT&T Midwest Bargaining Report #72

Our committee spent much of Tuesday in caucus, both reviewing issues and developing bargaining strategy that will move us forward. Meetings of the full committee will take place today to discuss the entire range of unresolved issues.

We have reached a critical stage in this bargaining and hope the company will be willing to engage with us on the important unresolved issues. We remain ready and willing to work round the clock, if necessary, in order to reach an agreement that is fair to our members.

Mobilization News: Yesterday, Locals 4310 and 4320 held a rally in front of AT&T headquarters in Columbus, Ohio. Nearly a hundred members and retirees were there to let the company know we are prepared to do **WHATEVER IT TAKES** to win a fair contract!

Contact your Local's mobilization coordinator or officers to find out about your Local's activities.

Please visit StandUpForWorkers and sign our online support petition to win a fair contract with AT&T.

The next report will be **Thursday, June 18**, or sooner should developments warrant.
