## June 18, 2009- CWA D4 AT&T Midwest Bargaining Report #73

Our bargaining committee spent much of Wednesday meeting with AT&T reviewing the unresolved issues. We are continuing to make some progress.

In order to keep bargaining moving in a positive direction, our committee has decided not to take a recess to attend the CWA Convention, but instead stay at the bargaining table and keep working towards a fair contract.

**Mobilization News:** Today on the job, CWA members across the Midwest are wearing red to demonstrate their support for our bargaining committee to win a fair contract with AT&T.

Tomorrow, locals will be leafleting the public at AT&T Mobility and Apple stores when the new iPhone 3G goes on sale.

Contact your Local's mobilization coordinator or officers to find out about your Local's activities.

Visit [StandUpForWorkers](#) to sign our online support petition for a fair contract at AT&T.

The next report will be **Friday, June 19**, or sooner should developments warrant.
