

## CWA D4 AT&T Midwest Bargaining Report #84 7/6/2009

Our committee returns to the table today after taking a few days off for the holiday. We hope to pick up where we left off and continue to make progress towards a fair contract.

**Mobilization News:** Last week, Local 4340 held a special AT&T membership meeting to reaffirm our mobilization strategy. Members spoke out in no uncertain terms; they remain unified with their Brothers and Sisters across the District. They will not "back down" until we win our fight for a fair contract at AT&T.

Contact your Local's mobilization coordinator or officers to find out about your Local's activities.

If you have not gotten everyone you know to sign our online petition for a fair contract at AT&T, please ask them to go to [StandUpForWorkers!](http://StandUpForWorkers.org)

The next report will be **Tuesday, July 7**, or sooner should developments warrant.
