July 10, 2009 - **CWA D4 AT&T Midwest Bargaining Report #88**

Talks continued in the Midwest as management began the process of putting conceptual proposals in writing. The Committee plans to spend most of the weekend reviewing proposals as they get them.

Mobilization News: Members across the Midwest wore red yesterday to demonstrate their support for our bargaining committee to win a fair contract with AT&T.

Locals continue to hold informational pickets across the District. Below are members of Local 4322 in action:

Contact your Local's mobilization coordinator or officers to find out about your Local's activities.

If you haven't gotten everyone you to know to sign our online support petition, ask them to visit StandUpForWorkers to join our fight for a fair contract at AT&T!

The next report will be **Monday, July 13**, or sooner should developments warrant.
