

COMMUNICATIONS WORKERS OF AMERICA
DISTRICT 4

JULY 14, 2009- CWA D4 AT&T Midwest Bargaining Report #90

Our committee continues to work hard to assure that all of the details of the written proposals are correct. When it comes to contract language, details are extremely important and our committee has always worked diligently to make sure the language reflects precisely what was agreed to verbally. The formal documents continue to be consistent with the informal progress that was made.

The next report will be **Wednesday, July 15**, or sooner should developments warrant.
