

LABOR RALLY

IN SUPPORT OF WORKING FAMILIES AT ABC-TV

Wednesday, August 15, 2007

12:30pm - 1:30pm

WLS-TV Channel 7

190 North State Street - Chicago, IL

The Technicians and Newswriters, represented by NABET-CWA, who bring you the *ABC-7 News* have worked without a contract for the past 4 months as a result of Disney/ABC Management's aggressive, anti-worker stance during these negotiations. The Company's plan would:

- ✓ Stonewall efforts by the Union to participate in new work opportunities and emerging technologies.
- ✓ Freeze the healthy pension plan established for these workers.
- ✓ Dismantle the seniority/layoff system so that Disney/ABC can perform 'laser surgery' on its workforce.
- ✓ Cutback existing overtime pay entitlements.
- ✓ Reduce existing Union work jurisdiction.

Please join us and let Disney/ABC-7 know that Chicago Labor won't stand for union-busting in the broadcast and entertainment industries!
