

# The "Not-So-Wonderful" World of Disney/ABC-7

- Freezing a healthy Pension Plan
- Dismantling the Seniority System
- Increasing wages less than Cost of Living standards
  - Road blocking new work opportunities
  - Limiting existing work jurisdiction
- Per Diem employees = 2<sup>nd</sup> class workforce
- Intolerance towards union members

Doesn't sound very "family friendly" does it?

The Newswriters, Studio Technicians, Newsgathering Crews, Editors and some Producers have worked without a contract since April 1, 2007. We're fighting for **our dignity, our right to stay in the workplace, our growth in new technologies, and a secure future with this Company** now, and beyond -- into our retirement years!!

It's obvious the erosion of today's labor force is a direct result of corporate greed. It is time for organized labor to return to the forefront of the American workforce and YOU CAN HELP!

Call Channel 7 General Manager, Emily Barr (312-750-7001) and tell her you're not interested in supporting a Disney/ABC television station that doesn't support and respect its workers!
