

**GRAY PANTHERS DEMAND THE PRESIDENT AND CONGRESS BRING  
U.S. TROOPS HOME FROM IRAQ WITHOUT DELAY**

Gray Panthers strongly opposes all future preemptive wars or invasions that would further the potential for nuclear war and global disaster. We seek to pursue peaceful alternatives to war and reconstruction by strengthening international cooperation and the United Nations. We support the United Nations and peace efforts to rebuild Iraq. Gray Panthers demand that Congress and the President bring our troops home without delay.

Gray Panthers encourage you to speak with your vote. Let your elected officials know you are watching their votes and demand they bring our troops home. Participate in demonstrations and write your local press.
