

Thursday, August 4: Call With Leader Nancy Pelosi--STOP the Medicare Cuts!!

Dear CWA Members, Retirees and Activists:

Energy. Intensity. That's what CWAers across the country have been bringing to the fight for collective bargaining rights, in Wisconsin and across the nation.

In August we will turn up the heat, and no one knows how to turn up the heat like House Minority Leader Nancy Pelosi.

Leader Pelosi will be joining us for our next CWA Activist call on **Thursday, August 4 at 8:00 PM EDT**. I hope you'll join me and thousands of other CWA activists around the country who are planning to call in.

Our call launches August Accountability Month. During August, thousands of members will speak out at congressional town hall meetings, visit legislative offices and mobilize at house parties in communities around the country to save Medicare and fight for bargaining rights.

We will hear from the CWAers who are leading the mobilization. Leader Pelosi will update us on how we can help block the disastrous right-wing proposals Congress is considering that put corporate profits and luxury tax breaks ahead of working people.

[RSVP now to join the call on Thursday, August 4 at 8:00 PM EDT.](#)

This is our time to be heard in the streets and at the ballot box. It's our chance to shout down right-wing proposals that would break our promises to retirees. And it's our moment to raise the campaign to protect collective bargaining rights to new heights.

Thousands of our brothers and sisters dialed in for the last activist call, and we're hoping for even greater participation this time.

Join Minority Leader Pelosi and hear front line CWA reports next Thursday, August 4 at 8:00 PM EDT to discuss where our movement is heading next.
