**CWA District 4 Member Political Action Survey**

The November 2006 midterm elections are some of the most critical elections in our lifetime. The votes you cast in these elections will determine our standard of living for many years to come. We have all seen, heard or in some cases unfortunately experienced how some ruthless CEO's have reduced our pensions and health care benefits. These reductions can only happen with the help of misguided judges and politicians. CWA wants to assure that members get the information from their union that they need to make an informed decision. Please help us provide you with useful information by taking a few minutes to answer the following survey. **Please fax completed survey to: 440-333-1491**
