## Career Development—Life/Work Planning Interest Inventory

**Have you ever asked yourself. . .**

- What do I want to do?
- What are my areas of interest?
- What career opportunities lie within my areas of interest?
- What skills do I need for these opportunities?
- What education will help prepare me for these opportunities?
- How do I obtain that education?

If you have thought about any of these questions, or if this note starts you thinking, then why not follow up with Alliance Life/Work Planner today. He will guide you through a simple assessment process.

Call today to schedule your **FREE** career analysis.
