Test Preparation

Roadmap to Success

This easy to use home-study program is your roadmap to success in preparing for a new job or career inside or outside the company.

Pass Tests Inside or Outside the Company

You will learn to successfully qualify on tests required for jobs within AT&T, Lucent, Avaya, or new jobs in other companies. Most of today's businesses require you to pass an employment, certification, or job title test before you can get a job. This program will provide you with the skills and knowledge to successfully pass these tests. In addition, this program will provide you with specific test taking strategies and the skills needed to approach these tests.

What You Will Learn

This home-study program provides you with the tools to be successful in taking tests. You will learn how to:

- Identify job and career opportunities
- Locate testing centers
- Prepare to take a test
- Eliminate testing anxiety
- Take specific types of tests

Home Study Program

This easy to use home-study CD-ROM and companion workbook will allow you to study at home at your own pace.

- You will need about three hours to complete the program
- You can set your own pace
- You can start and stop at any time
