(NOTE: NO classes on Labor Day Weekend)

TIME: 9 a.m. to 2 p.m.

PLACE: 4513 Western Avenue, Lisle

Pharmacy Technician Program

Health Sciences 1115

4 Semester Hour Credit Course

The Pharmacy Technician course is a 4 semester-hour course meeting 5 hours a week for 12 weeks. The course consists of lecture, class discussion, hands-on lab training in compounding medicines, preparing IV's.

Instructors

Taught by pharmacists, the program has a good success rate for students passing the Certification Exam. College of DuPage's Pharmacy Technician program is one that is recognized by prospective employers in the HealthCare Industry.

Externship

Newly added is a 2-week rotation at the end of class to provide internships for the students at area pharmacies.

Placement and Job Search Assistance

We do not guarantee employment, however we make every effort to assist our graduates with job placement. Job search assistance includes:

- Resources for preparing resumes and applications
- Resources to sharpen interviewing techniques
- Network of employment referrals
- Certificate of Completion for prospective employers

To Register: Contact the Alliance at 1-888-992-7979 on or before Friday, July 8. Please leave your name and daytime call back number. We MUST have a MINIMUM of 15 students to run this class.
